

2010 mind body soul

summer intensive

General Information & Application

This program is for experienced dancers expecting a challenge, with a desire to take advantage of a unique training opportunity. We understand there may be dance genres some may not be familiar with, but all dancers are expected to participate in every class - minimum 3 years of dance training.

Ballet is the foundation of all programs at the GOLD School, if you dislike ballet or do not appreciate its value to all other dance forms this program may not be for you.

While in our facilities all dancers and parents are expected to conduct themselves in a responsible and respectful manner.

Dancers should bring a lunch daily. Water, juice, soda and snacks are available at the school via vending machines.

In some cases these programs fill before the deadline, don't miss out...register early! Dancers and teachers will be accepted in the order their application is received, NO EXCEPTIONS.

THIS IS NOT A "PLAY-DANCE" PROGRAM

We welcome dancers with a tenacious work ethic from throughout New England, the U.S. and Canada. At The GOLD School, our faculty and staff take their teaching responsibilities seriously; we expect all enrolled dancers will take their learning experience seriously. Even in the younger divisions this is an "intensive" dance program. Students will receive corrections and are expected to be grateful for, and immediately apply correction given. Any student not willing to try every class should not enroll. Dancers must enter the classroom without a parent. Parents and friends are not allowed in any classroom during the "Summer Intensive".

To reserve your space, please fill out and send this application with full tuition due payable to the GOLD School by June 10, 2010
All tuition is due in U.S. Funds. Checks, Money Orders, MasterCard and Visa accepted.
